7. WHY BLUEWAVES?

8. CONTACT & BOOKING INFORMATION

SERVICE 1: PORTABLE RESTROOMS

Our portable restroom rental units are the foundation of temporary sanitation solutions. Designed for durability, ease of use, and cleanliness, these units serve construction sites, events, outdoor gatherings, and more.

1.a) STANDARD PORTABLE RESTROOM

Description:

The classic, reliable portable toilet option. Built for functionality and affordability, standard units are perfect for everyday use at construction sites, outdoor events, and job sites.

Features:

✓ Cost-effective solution
✓ Easy to transport and install
✓ Regular maintenance included
✓ Suitable for all weather conditions
✓ Reliable and durable construction

Best For: Construction crews, outdoor work sites, festivals, casual events

1.b) FLUSHABLE PORTABLE RESTROOM

Description:

An enhanced version of standard units with flushable capabilities. Offers improved hygiene and user comfort while maintaining portability and affordability.

Features:

✓ Flushable toilet mechanism for enhanced hygiene

✓ Similar portability to standard units

✓ Water-based sanitation system

✓ Low-maintenance operation

✓ Better user experience than standard units

Best For: Events expecting high foot traffic, upscale gatherings, health-conscious venues

1.c) EXTRA LARGE PORTABLE RESTROOM

Description:

Oversized portable restroom designed for high-traffic locations. Provides more spacious interior, increased capacity, and better comfort for users.

Features:

✓ Larger interior space for comfort

✓ Increased waste tank capacity

✓ Handles high-volume usage

✓ Reduced wait times for users

✓ Premium amenities available

Best For: Large events, festivals, concerts, multi-day gatherings, busy construction sites

1.d) OPEN-TOP CONSTRUCTION PORTABLE TOILET

Description:

Specialized unit designed specifically for construction and industrial sites. The open-top design makes it easy to service and dump waste efficiently.

Features:

✓ Open-top design for easy servicing

✓ Industrial-grade construction

✓ Quick waste dump capability

✓ Built for heavy-duty use

✓ Minimal downtime for maintenance

Best For: Construction projects, demolition sites, industrial work zones, heavy machinery areas

SERVICE 2: RESTROOM TRAILERS

Premium portable restroom solutions for upscale events and venues. Our restroom trailers offer luxury amenities, spacious interiors, and professional aesthetics.

2.a) ECONOMY PORTABLE RESTROOM TRAILER

Description:

The budget-friendly option in our restroom trailer lineup. Combines portability with comfort, offering a step above standard units at an affordable price.

Features:

✓ Clean, modern interior design

✓ Multiple stalls available

✓ Heating and air conditioning

✓ Attractive alternative to standard units

✓ Competitive pricing

Best For: Corporate events, moderate-budget events, outdoor parties, professional gatherings

2.b) DELUXE PUBLIC RESTROOM TRAILER

Description:

Premium multi-stall restroom trailer designed for public use at large events. Features upscale finishes, multiple stalls, and excellent capacity.

Features:

✓ Multiple luxury stalls

✓ Elegant interior design

✓ Premium fixtures and finishes

✓ Climate control

✓ High-capacity waste system

Best For: Weddings, conferences, large corporate events, VIP gatherings, upscale celebrations

2.c) DELUXE PRIVATE RESTROOM TRAILER

Description:

Exclusive single or dual-stall luxury restroom trailer. Perfect for VIP guests, private events, or exclusive use requiring complete privacy and premium amenities.

Features:

✓ Private, exclusive use

✓ Luxury finishes and decor

✓ Premium lighting and mirrors

✓ High-end plumbing fixtures

✓ Climate control systems

Best For: Upscale weddings, exclusive events, VIP guests, premium venues, bridal suites

2.d) HIGH-VOLUME PORTABLE RESTROOM TRAILER

Description:

Professional-grade restroom trailer with maximum stall count and capacity. Designed for large events expecting thousands of visitors with high restroom usage.

Features:

✓ Multiple luxury stalls (6-12+)

✓ Large waste tank capacity

✓Commercial-grade fixtures

✓ Industrial water supply system

✓ Heavy-duty construction

Best For: Major festivals, concerts, outdoor expos, multi-day events, high-capacity venues

SERVICE 3: SHOWER & SINK SOLUTIONS

Complete hygiene solutions beyond restrooms. These specialized services ensure proper sanitation and hygiene access for all event attendees and workers.

3.a) HAND WASH STATIONS

Description:

Portable hand washing stations for hygiene compliance and user sanitation. Essential complement to restroom rentals at any outdoor event or job site.

Features:

✓Hot and cold running water

✓ Soap and towel dispensers

✓ Multiple station availability

✓ Health code compliant

✓Easy to install and maintain

Best For: Food events, construction sites, outdoor gatherings, health-conscious venues, festivals

3.b) LAVENDER SHOWER TRAILER

PREMIUM HYGIENE SOLUTIONS *for* EVENTS & SITES

Description:

Premium portable shower trailer with modern amenities. Provides hot water showers, changing areas, and luxury features for personal hygiene access.

Features:

✓ Hot water shower stalls
✓ Changing/dressing areas
✓ Premium fixtures and finishes
✓ Climate control
✓ Multiple shower heads

Best For: Disaster relief, construction worker facilities, multi-day festivals, emergency housing, outdoor workforce support

3.c) PORTABLE HAND SANITIZER STATIONS

Description:

Quick-access hand sanitization solution for high-traffic areas. Provides instant hand hygiene without water access, ideal for outdoor event areas.

Features:

✓ Touchless dispensing system

✓ Refillable sanitizer bottles

✓ Portable, easy to position

✓ High-capacity tanks

✓ Health code compliant

Best For: Large gatherings, food service areas, shopping events, public venues, pandemic-safe events

SERVICE 4: DUMPSTER RENTAL

Complete waste management solutions. Our dumpster rental services keep your event or job site organized, clean, and compliant with waste disposal regulations.

4.a) EVENT TRASH BOXES

Description:

Portable trash receptacles designed specifically for events. Keep gathering areas clean with strategically placed trash containers throughout your venue.

Features:

✓ Various sizes available
✓ Weather-resistant design
✓ Easy placement and pickup
✓ Prevents littering
✓ Professional appearance

Best For: Outdoor festivals, weddings, parties, picnics, community gatherings, public events

4.b) ROLL OFF DUMPSTERS

Description:

Large capacity dumpsters on wheels for major cleanup operations. Perfect for construction debris, renovation waste, and large-scale cleanups.

Features:

✓ 10-40 yard capacity options

✓ Roll-on/roll-off delivery

✓ Heavy-duty construction

✓ Multiple pickup dates

✓ Flexible rental periods

Best For: Construction projects, home renovations, demolition sites, major cleanups, waste consolidation

4.c) COMMERCIAL DUMPSTER

Description:

Ongoing waste management solution for businesses and commercial locations. Regular pickup service ensures continuous waste management throughout operations.

Features:

✓ Regular scheduled pickups

✓ Flexible service contracts

✓ Competitive commercial rates

✓ Dedicated customer service

✓ Customized solution options

Best For: Retail stores, restaurants, offices, industrial facilities, ongoing business operations

4.d) GARBAGE AND RECYCLE COMPACTORS

Description:

Eco-friendly waste processing solution that compacts garbage and separates recyclables. Reduces volume and promotes environmental responsibility.

Features:

✓ Automatic compaction system

✓ Separate recycling section

✓ Reduces trash volume by 75%

✓ Environmentally friendly

✓ Cost-saving efficiency

Best For: Eco-conscious businesses, recycling programs, high-volume waste operations, sustainability-focused venues

SERVICE 5: SPECIALIZED SERVICES

Custom solutions for unique needs. Our specialized services address specific requirements that standard rentals cannot fulfill.

5.a) PORTABLE SPECIALTY TRAILERS

Description:

Customized trailers designed for specific industry needs. Beyond restrooms, these trailers serve as mobile offices, storage, or specialized facilities.

Features:

✓ Customizable interior layouts
✓ Climate control options
✓ Electrical connectivity
✓ Professional grade finishes
✓ Mobile or stationary setup

Best For: Film productions, medical facilities, command centers, mobile offices, specialized events

5.b) HANDICAP ACCESSIBLE PORTABLE RESTROOM

Description:

Restroom unit designed for wheelchair accessibility and users with mobility challenges. Ensures inclusive access for all event attendees.

Features:

✓ Wider door openings

✓ Grab bars and handrails

✓ Spacious interior layout

✓ Accessible fixtures

Best For: Public events, festivals, corporate gatherings, weddings, any inclusive venue
